Re: ACE-7, 2002WP190082 and ACE-7, 2002WP190090

Dear Mr. Escott,

We are in receipt of the two Letters of Complaint, dated April 1, 2003, regarding the referenced Case Numbers.

Enclosed herewith are our Answer's to the Complaint/s, copies of which have also been mailed to The Hearing Docket Clerk in Washington DC.

We appreciate the FAA's request to hold the hearing regarding these matters in Las Vegas, Nevada.

As discussed on the telephone earlier today, National Airlines continues to be in a bankrupt status, with the Bankruptcy Court having converted our case from Chapter 11 to Chapter 7. That having been said, a core group of 10 individuals continue to work from National's corporate headquarters in Las Vegas toward a resumption of Part 121 service. Working with the Trustee assigned by the Department of Justice, we hope to be able to determine if our efforts will be successful within the next three to four weeks.

Please continue to direct your correspondence regarding these matters to my attention.

Sincerely,

Michael P. Baxter
